

Porsche's for Pantries

When: October 25th and throughout November.

Due to Covid19 – this will be done on an individual basis this year – or small groups of 3.

Fill your Porsche, or grab one item, or even bring your checkbook. Drop off whatever it is you chose to bring to the NH Food Pantries and be sure to get that great photo of you and your donation for Northlander. Be sure to let them know you have stopped in on behalf of NCR.

Thank you in advance everyone again for your generosity. We at NCR appreciate it.
